

## SISTERS OF STRENGTH FALL RETREAT

*Are you trapped in the everyday jungle of life?  
Swing on by and join us on our Jungle Safari and how to make our  
way using the Armor of God for our daily survival.*

*Our guest speaker will be Amanda Broucher. Amanda and her husband Gary are longtime residents of Western PA. They are the parents of Hannah & spouse Benjamin, Andrew, Caleb, & Jonathan.*

*God led them on a journey to Tulsa, Oklahoma for six years where they grew under the Victory Christian Center & Oral Roberts University. At this time God spoke to their heart to return home and start the Pittsburgh Dream Center. The Dream Center vision is to reach out to people who feel forgotten and excluded, leading them to transformed, whole, successful purposeful lives.*
